

STATEMENT

Joint statement from Royal Yacht Squadron Ltd and INEOS TEAM UK

9th May, 2021

As the Challenger of Record for the 37th America's Cup, we are working collaboratively with the Royal New Zealand Yacht Squadron and Team New Zealand to write the Protocol that will define the rules moving forward.

We are delighted to hear that the New York Yacht Club are interested in continuing participation in the America's Cup and we will keep them informed as we move forward.

For further details please refer to the [statement released by the Defender](#) on accepting the British Challenge.
